

**LINKING ENVIRONMENT AND FARMING**

## **Director of Business Development**

Leading sustainable farming organisation, LEAF (Linking Environment And Farming) has an exciting new opportunity for a Director of Business Development based at Stoneleigh Park, Kenilworth.

LEAF is looking for a dynamic, proficient and experienced individual to join a close knit team to build its services and outreach and generate income to support the Charity's objectives. In this pivotal role the successful applicant will plan, lead and execute a sales strategy to strengthen LEAF's relationships with its members, key industry bodies, trusts and foundations; developing compelling business cases and submitting high quality funding proposals.

Full time - 35 hours per week - competitive salary - car and pension.

Email for applications (please send CV and supporting letter) or for further details to [enquiries@leafuk.org](mailto:enquiries@leafuk.org). Applications close 7 February 2015
